*From Harry Wanless to "C."*

I have worked at Fas Check; as a road salesman for S.B. Wallace Wholesale; the Western Auto Store, and I do electrical work.

I am a member of the Hillsboro Volunteer Fire Department, Little Levels Ambulance Patrol and the United Methodist Church.

My interest is outdoor sports; hiking, fishing, hunting, and skiing.

My sister, Janice Carol, was in her last year at Nursing School when I was born so there is twenty years difference in our age. Not only was she a big sisiter to me but my best friend. I consider it a privilege to submit her family in the history of Pocahontas County.

She was the only daughter of my parents, born December 24, 1937. She graduated from Hillsboro High School, belonged to F.H.A., played clarinet in the band and was active in the Methodist church. She was a graduate of Lewis-Gale School of Nursing, Roanoke, Virginia, in 1958. As a registered nurse she stayed at Lewis-Gale and worked in surgery for five years, went to Richmond, where she was employed by the Chairman of Surgery at the Medical College of Virginia, and worked twelve years in kidney transplant surgery under Dr. David C. Hume.

In 1969 she was married to Jerry Lynn Hall of Richmond, formerly of Buckhannon, West Virginia, son of Hayward E. and Nell Crislip Hall.

For several years he has been employed as an accountant for Firestone Tite & Rubber Company in Hopewell, Virginia.

Their only child is David Lynn, born in Richmond, October 5, 1972.

Janice died November 29, 1976. She is buried in Sunset Memorial Park, Chester, Virginia.

David lives in Chester with his father and step-mother, Caroline Payne Hall. He belongs to the Cub Scouts and the junior choir at St. Thomas Episcopal Church, where Caroline is organist.

David looks forward to coming to Hillsboro for summer vacation, and did his first skiing this year, 1980, at Snowshoe. By John F. Walker

1925 the family came to Hillsboro and purchased the property known as the W.N. Goode Store.

They were members of the Oak Grove Presbyterian Church and he belonged to the Hillsboro Masonic Lodge. They were parents of five children; Zona Viers, Lenora Boggs, Edna Moore, Verna Viers, and Archie F. Walker. He and my father, Archie, operated their general store, known as the Hillsboro Store Company. He died July 22, 1951; grandmother on September 30, 1957. Both are buried in Mountain View Cemetery, Marlinton.

Now, I want to tell about my household. I was born in Marlinton (hospital), August 9, 1934. I graduated from Hillsboro High School, Potomac State, and in 1956, from WVU. Soon after school I was drafted into the armed service and served two years in the Army Signal Corp. I am married to Linda Lee Clutter, born February 3, 1937, daughter of the late Eric and Eva Beard Clutter of Hillsboro. We have two children; Thomas Wayne, Jr., and Kathryn Lee, and we reside in South Hills, Charleston, WV. For sixteen years I was employed in the IBM department at Libby-Owens Ford Glass Company. In 1971 I went with CUNA Mutual Insurance Group of Madison, Wisc. as their sales representative in Southern West Virginia with whom I am still associated. Linda is employed with Old Colony Real Estate. As a hobby I collect old coins.

Tom, Jr., our oldest child, was born in Colorado Springs, Colorado where I was stationed in the Army Signal Corp and his mother worked as a X-Ray Technician at the Colorado Springs Medical Center. Tom graduated from George Washington High School in Charleston and is now a senior at Fairmont State College. His hobby is photography.

"Kathy" was born in Charleston, WV, May 4, 1961. She is also a graduate of George Washington High School where she was on the girl's basketball and track teams, and won many trophies. She is a sophomore at Fairmont State College and plays on the basketball team there.

Every chance we get, our family loves to come home to beautiful Pocahontas to be with our families and friends. We enjoy skiing, hunting and fishing there.

## WILLIAM THOMAS WALKER

I am Thomas Walker, oldest son of Archie and Kathleen Faulkner Walker, and the grandson of the late William Thomas and Sophia Barlow Walker. I have very fond memories of my grandparents in Hillsboro. Since our houses were on

Olive Cassell Banard, Fort Smith, Ark.; Arthena Griffin, Bolar, Va.; Genevieve Shinaberry, Fairmont; Nora Turner and Orpha Clark, Franklin; Velma Turner, Albion; and I live at Minnehaha Springs. My parents never lived long at any location due to my father working in the logging industry. We moved from Boyer to Minnehaha Springs in 1928 where my father was employed at Mountain Timber Corporation. It was here I met and later married Earl M. Wanless on April 27, 1931 at the home of Rev. Howard Underwood on Beaver Creek.

Earl worked at several different jobs before being employed by the U.S. Forest Service on March 16, 1943 until his retirement in 1965.

We own a small farm near Minnehaha Springs and built our present home there in 1960. The white pine trees from this small farm furnished the lumber to build our home. Today the pine trees furnish lumber to build picnic tables that Earl makes and sells through the summer months.

Earl and I have 2 sons; Earl Wanless Jr., works for Air Survey Corp. and lives at Front Royal, Va.; Harley Monte lives at Barboursville, Va. and works for Central Telephone Co. I son died 8-11-1933. Our 3 daughters are: Atlene Anderson Green, Lynchburg, Va.; Janice Bryant, Clifton Forge, Va.; and Wilma Grace Rimes, Hungburg, Ohio. 14 grandchildren and 3 great-grandchildren.

Earl had 2 brothers, Norman F. and Otis S. Lester. His mother Ina Josephine Wanless Lester (09-28-1888 to 03-19-1957) was the daughter of Ralph William and Lurn H. Gum Wanless. Ina and her sisters, Mary Dilly and Allie Ryder and 2 brothers, George and Arthur Wanless, were born at what was once known as the Wanless farm near Mt. Tabor school house in the hills, 5 miles north of Hungburg.

Laura H. Gum Wanless was raised in Bath County by a family named Sively. We know nothing of her parents or relatives as this was during the Civil War.

The little sawmill town of Raywood that was named for the descendants of Samuel H. Ray has disappeared but a small part of the Wanless community still stands. The Wanless church and cemetery, also the Wanless depot, can still be seen on Back Mountain above Cass to remind us of 2 young brothers, Ralph and Stephen Wanless, who came from England to settle in the hills of Virginia that later became Pocahontas County, West Virginia. I am Thomas Walker, oldest son of Archie and Kallieca Faulkner Walker, and the grandson of the late William Thomas and Sophia Barlow Walker. I have very fond memories of my grandparents in Hillsboro. Since our homes were on neighboring lots I spent much of my childhood at their home. I am happy to include them in this Pocahontas history.

## MAJOR JACOB WARWICK

Jacob Warwick's history was recorded in W.T. Price's *Historical Sketch of Pocahontas County*, Jim Comstock's *West Virginia Heritage Encyclopedia* and the hand written records of Emma Warwick, Jacob's great granddaughter, being the daughter of John Woods Warwick and Caroline Elizabeth Craig.

Major Jacob Warwick (b. 1743, d. 1826) was the son of L.L. John Warwick and Elizabeth Dunlap of Middlebrook, Va. Although here for safety, L.L. John Warwick was employed in service of the King in locating and surveying land grants. He owned property in Bath County and Mathews County, Va. (now Dunmore).

Four children, Charles, Elizabeth, John and Jacob were born in Williamsburg as L.L. John resided there in 1740-50. L.L. Warwick chose to return to England. The reason for this and his whereabouts thereafter were unknown. Charles and Elizabeth were placed in schools in Wil-

is for the church. Josiah Heard lumber that had been sawed at John's Run to Dunmore to Noel's.

Willie Yeager, one of the trustees, drew plans for the church and submitted to Elliott for a bid. James Elliott (1. 6, 1883) "I will do the carpenter work for the within described building of two hundred and eighty seven .00) or a Box house the same size this bid is just for the carpenter and I did not have time to set what the cost on the ground."

£13 10s 1d was called for a building 24' x 16' to ceiling, to be built on River Hill, topsoil, W. Va. Materials to be used were carefully. There were to be six 12 lights each 10' x 16', one double center of end. It was to be sealed good clean lumber; floor to be black to be placed on each side with aisle in 2 seats on each side of pulpit; a small pit on a platform 14' high, with pews in front.

Elliott's bid was accepted by the builder. It required a year to build during which he boarded at C.C. Burner's. The church was dedicated in 1886. Harry Burner did very well as it was the year he died. He and his father, Charles Cameron, fenced off 6 inch boards and also the block and stile. Horse, horse and spring wagons were the mode of transportation in those days. Residents from the area became Dunlevie and Winterburn with around the base of Burner mountain. particularly when the Greenbrier was high there were no bridges, only fords and footlogs. Harry Burner returned from 16 years in the Army in 1906, there were only two cars in the town. Submitted by Charlie Grogg and Craig Ash.

In the 1920's the Sunday School rooms were added to the back of the church. In the 1960's the old pine altar and replaced with modern oak ones.

Dorbie came alive with the coming of the railroad. In 1906 a church was built there now Methodist Church, previously the Repose, became a part of that charge. Dorbie later became a station church, was made a part of the Arbovale charge. The members recalled who served the church are Van Devender, Nevitt, Spangler, Van Devender, Crawford, Rose, Stever, Rockhammon, Helmington, Muller, Cradock, Naylor, Winston, Fox, Hause, Teasay, Winkler, Richardson, Larkins, Larkins, Miller, Edgell, Morris.

In the late 1960's several families, descendants of Dorbie families, continued in the church building with other religious groups. Submitted by Alma Carroll Mick.

## TRINITY BAPTIST CHAPEL

In 1903 Mr. and Mrs. John McNeel agreed to take the responsibility of the church. After the original group had been meeting for some time they had the use of a building in M. Hazel.

and, in the past two years, they have gotten used pews, installed a furnace, and remodeled the interior of the building. However, from the beginning the need for larger facilities was seen.

During the first few months of 1980 a search for property was begun, and early in the spring two adjoining tracts of land were found which seemed to be a good building site. The Chapel had \$3,000 in its building fund, to which they added \$2,700, and the Mother Church added \$500. This was enough to pay for the first tract. A Site Fund loan provided the funds to purchase the second tract. The Chapel now has about 6.5 acres of ground.

Trinity Baptist Church, of Drexel, North Carolina, has taken a special interest in the Chapel because Safo and Sue Hammons, Chapel members, are former members of their church. The church gave Trinity Baptist Chapel a check for \$15,000 to use on a building. Central Baptist Church of Whittier, North Carolina, has made a \$200 per month commitment and the Chapel is using this to help with the financial support of their pastor, Ron Branch.

With a new pastor, 6.5 acres of ground, \$15,000 toward a new building, and a lot of energy and enthusiasm, Trinity Baptist Chapel is on the move.

## WANLESS UNITED METHODIST CHURCH

This church is located on Back Mountain Road North of Cass. Land deed for the church was granted in October 1908 by C.C. Wanless and wife Hannah. Trustees at the time were H.L. Kester, C.C. Wanless, A.W. Tallman, J.H. Tallman, William Cassell and A.W. Sheets. The church was then known as Mount Union. Later it was changed to Wanless Methodist and is currently known as Wanless United Methodist.

Mr. Harry Wanless, Mr. W. Brice Cassell and Mrs. Lelia Swink remember the building of the church in 1907 by John and Robert Nole with help from the local residents. They recall that the lumber for the church and pews was sawed at a small mill located on a stream on the property now owned by Mrs. William Tyler. The lumber was dried in a kiln on the land behind the church site. Mr. Wanless remembers helping put the shingles on the roof. Mrs. Grace Cassell remembers going to the dedication services in 1908.

The original Bible was obtained from Sears Roebuck and was stolen many years ago. Maude Wanless, sister to Harry, collected donations from Cheat Mountain woodsmen and local residents to buy the church bell and organ.

Families living within a five mile radius attended and maintained this church for many years. Descendants of these families still continue to attend and maintain this church.

Before the church was built, worship services were held in a one room school building located on the Henry Kester property now owned by Cleofold Cassell. Submitted by Alma Carroll Mick.

## WESLEY CHAPEL METHODIST CHURCH NEAR DUNMORE, W. VA.

The earliest date found for the Wesley Chapel Methodist Church or the Glade Hill Church, as it was then called, was 1867. Members of the first quarterly conference were

Church services were first held in the Glade Hill school house which was located on land now owned by the Wilfongs. Names of some of the early members were: Curry, Patterson, Galford, Kerr, Akers, Gumi, Maupin, Nottingham, Arbogast, Hudson, Sheets, Cooper, Carpenter, and Taylor.

On April 19, 1894 a deed was made by Henry and Early Taylor deeding a tract of land for the erection of a church.

Warwick Hudson, Asbury Sheets, J.F. Patterson, W.W. Galford and Henry Taylor were appointed in 1894 to the building committee.

The church was named "Wesley Chapel" by J.F. Patterson and was dedicated in 1897.

The building was not large enough, because the congregation averaged around a hundred. During the period of 1919-1923 Mr. Samuel Elliott removed the back end and built an additional ten feet to the church.

In 1961 the church was transferred to the Minnehaha Springs Charge and then in 1974 it was transferred back to the present Pocahontas Charge.

A vestibule, bell tower, toilets and tool shed were built later.

In 1966 an oil furnace was installed.

In 1971 lightning struck the church. The fire was put out before too much damage was done.

In 1976 the inside of the church was re-done by insulating, lowering the ceiling, paneling walls, etc.

Later a drain ditch was installed in front of the church and cemetery to prevent water from running across the road. Mr. Ivan Vinneman donated a steel gate to be used at the entrance to the cemetery. Hymn books were purchased as memorials and book racks installed on the benches. Mrs. Neil Horner

## WESLEY CHAPEL UNITED METHODIST CHURCH HILLSBORO

The Wesley Chapel United Methodist Church at Hillsboro represents the oldest continuing congregation West of the Allegheny Mountains. The original building was erected by the first settler in Little Levels, John McNeil sometime between 1765 and 1776, located on the summit of the Knoll which is now the McNeil Cemetery, and was known as the "White Pole Meeting House." The members of that congregation were John McNeil, Martha McNeil, James Lewis and wife, Alexander Wadell and wife, Charles Kenison, Jacob Kenison, Mrs. James Kenison, John Sulzer and wife, Richard Hill, Nancy Hill, and Abraham McNeil and wife. It is said that Bishop Arbury held services there steadily as

was sold to the Watoga Land Association which  
attempted to develop a community for black  
people. Thus the school was changed to one for  
black students. It was closed in 1942.

The Henry Branch School was a new frame  
building located in the hollow downstream from  
the Lawrence Kelly house. The building  
replaced the Glade Hill School.

The teachers were in order:

Sue McCarty from Little Levels in 1903.  
She married at Pete Oliver's and took Inez  
Oliver (aged 4 yrs.) to school with her for her first  
grade. Sue McCarty married Ulysses Notting-  
ham in Nov. 1, 1904 and died at Bear Creek,  
West Virginia in 1906 giving birth to her only child,  
Robert, who died in 1922 of pneumonia.

The school was replaced by the Gum Spring  
School and Wesley Chapel School as there were  
28 or 30 students during the last term. The  
building was moved up on top of the hill by Sam  
Elliot who lived in it for some years. It was  
located on the Jack Taylor farm where the old  
well is still seen. George and Mandy Taylor had  
lived in a house nearby before they built the big  
house in the bottom. Nola and Jack Taylor lived  
in the old school after their marriage in 1930.  
Jack Taylor moved the building across the bot-  
tom to use as a granary.

Belle Taylor Woodell remembered the old  
Dr. Moornau visiting the school, also a Mr.  
Grimes. They were district school board presi-  
dents. Will Taylor, father of Belle, took a great  
interest in the school. When there were programs  
being presented he was always urged to recite a  
poem. Belle attended the school from its begin-  
ning to the end. She has a picture of the school  
and scholars.

## WANLESS ELEMENTARY SCHOOL

The Wanless Elementary School was located  
on Back Mountain, five miles from Cass in what  
was then known as the Wanless Community. It  
was situated near the highway, on a bank just  
above the Henry Lester home. It was a typical  
one-room school with a pot-belly stove, a water  
cooler, an old fashioned blackboard and desks  
and chairs, which accommodated two pupils. This  
school was later moved just across the road from  
the Wanless Cemetery on the Wanless Siding  
Road as it was known at that time, and it became  
known as the "Back Allegheny School."

Many memories exist in the minds of those  
who attended this school. Boys and girls were  
mischievous in that day, just as they are today.  
One day a Spelling Bee was in session, which was  
a frequent pastime as well as a learning experi-  
ence. A student who had been spelled down, went  
to the blackboard and with the teacher's back to  
him, wrote the words on the board as the teacher  
pronounced them. One of the students informed  
the teacher of what was going on. She disquali-  
fied the speller and all sat down. The usual  
punishment was handed out which was writing a  
sentence, dictated by the teacher, 100 times. The  
speller honestly did not see the word that was  
written on the board, but the teacher insisted  
that to be fair, she would have to end the  
"Match" for that time. Busy work or rainy day

The Wesley Chapel School was built by Will  
and Ed Taylor in 1910 on land loaned by James  
and Nelia Taylor. The school was located about  
300 yards down the road from the church. The  
school board furnished the desks for the school.  
The inside was plastered above the beaded wain-  
scoring. The school had three windows on each  
side. The pot bellied coal stove with heat direct-  
ing jacket around it was located in the right  
corner as the room was entered. A cloak room  
was passed through to get into the schoolroom.  
The smaller desks were on the left as the room  
was entered. The rows of desks were larger  
moving to the right. The teacher's desk and  
recitation bench were in the front of the room. In  
1937 there was a 4 gallon stone water cooler with  
a cracked lid on it that was kept on a shelf in the  
left hand corner as the room was entered. There  
were forest designs on the outside of the cooler  
including a large buck deer. The cooler was  
broken and replaced with a barrel shaped white  
one that had blue bands around it which was  
brought to the school in 1939 and had a compart-  
imentized wall cabinet made where each student  
kept a drinking cup. A common dipper had been  
used before except some students kept cups in  
their desks. Neil Sheets was the student assigned  
to put chlorine in the water cooler in 1937-38 to

activities included among other things, cutting household article pictures from catalogues and passing them on cardboard boxes to make houses. Arguments over just who some of the pictures belonged to (since things would get mixed up with two sitting together) were frequent but somehow were settled. These things are laughable now but they were mountains to the ones involved at that time. A one-room school had advantages as well as disadvantages. Maybe more advantages than can ever be measured. This perhaps can be disputed, but be that as it may. Back Allegheny School produced some wonderful citizens.

Some of the teachers who taught in one of these schools were: Lillian Fowler, Mary Hill, Alice Friel, Eula Hill, Monna Colaw, Jeanne Hevener, Bonnie Nicholas, and Lynn Kerr.

Carpenter and other children within walking distance. If any of the pupils were tardy and did not have an eligible excuse they were not allowed to go out and play during recess. Music McLaughlin liked to spend time with the lady teacher so when she asked him why he was tardy he told her he had to salt the geese. One of the pupils caught a skunk and slipped it into the drawer of the teacher's table before the teacher arrived at the school house. The table is in Lee McLaughlin's home. Since it was erected on Robert McLaughlin's farm, he moved it over near his home, where Lee McLaughlin now lives. The Robert McLaughlin home burned in the spring of 1910 and the family lived in the school building until their new home was built that fall. The older boys slept in the hay in the barn because there wasn't enough room for all to stay in the school house. The old school house is now being used for a granary by Lee McLaughlin, a grandson of Robert McLaughlin. George McLaughlin Taylor

## LAND RECORDS Charts

Levan and Nancy with the total living family left Pochontas Co W. Virg 1855 going to Winneshiek Co Iowa. Here they purchased property from M. Nobley 2-26-1857. When they left W. Virg., they had quite a bit of property which Levan sold for son Ferry until all was gone. His handwriting in old Bible was especially good and being quite sure it was his he must have been well educated for the times. A with the amount of transactions he made over the years in real estate he must have been a very good businessman. The legal records can be found in court houses in Marlinton W. Virg. and Decorah & Cresco Iowa.  
My father Ralph C. tells of his Grand mother, Nancy Wanless how she was so nice with - so many of her ways seemed to be of the Mt. folk where they came from.

Re: Joseph Wooddell (1752-1834) and wife Elizabeth of Augusta County, Virginia, and Pocahontas County, West Virginia

This paper will be concerned with Joseph Wooddell and his wife, Elizabeth, two of our ancestors of the seventh generation. My principal source of information concerning them consists of the Wooddell family papers, now in the possession of Mr. & Mrs. Forrest Wooddell of Green Bank, Pocahontas County, West Virginia. I had the pleasure of cordial visits with the Wooddell family in September, 1958, and am grateful to them for granting permission to copy the family documents quoted hereinafter. I am also deeply indebted to Mr. Rockford N. Hamed, a native of Green Bank but now a resident of Alexandria, Virginia, and his parents for very generous hospitality, including driving me from Washington to Green Bank, introducing me to the Wooddells, sharing their home and extensive knowledge of Pocahontas County, and making the visit to Green Bank enjoyable in every possible way. Any merit this section has is due to the generosity of the Hameds and the Wooddells.

In addition to the Wooddell family papers, several other sources have been consulted: a file in the National Archives concerning Joseph's Revolutionary War Services, Joseph's will in the Pocahontas County courthouse, U. S. census records, and scattered references in Chalkley and Price. In quoting from these sources I will spell the family name as rendered by the county or census official or family member who prepared the document under consideration at the moment, so the reader will find Woodle, Woodell, Waddle, and other variations scattered throughout the following pages. Joseph himself used the form "Wooddell" consistently for his signature and this spelling is used on the headstone over his father's grave.

Joseph Wooddell was born about 1752, but I cannot establish the exact date or place of his birth. He gave his age as 80 in his sworn declaration of 1832 when qualifying for a Revolutionary War pension. He probably was born in Augusta County, Virginia and at least spent most of his early years there. Thomas Wooddell, Jr. (1759-1839), a younger brother of Joseph, testified that he (Thomas) was born in Augusta County in August, 1759, in his own declaration for a pension, so I am certain that if Joseph was not born in Augusta County, he at least was living there by the time he was seven years of age. If I can judge by land transactions abstracted in Chalkley and other evidence, the Wooddells must have lived in the North River District of Augusta County.

Joseph Wooddell (1752-1834) was the son of Thomas Wooddell (1709-1784) and wife Alice, whose maiden name we do not know. According to an 1886 newspaper article written by a grandson, Thomas Wooddell was born in Scotland; lived a few years in England; then migrated to Pennsylvania (which county?), where he married; and later settled near the village of Mount Solon in Augusta County, Virginia. His grave is in the Honey Creek Presbyterian Church cemetery and designated by a headstone with the following inscription carved in crude but easily read letters: "Thomas Wooddell, died 1783, age 75." However, we know from his will (Book 6, page 62) that he died between September 6, 1784 (when the will was written) and October 17, 1784 (date of probate). Alice, his widow, went to live with their son Thomas, Jr., who, in 1810, was married in Bath, Virginia.
